
Interworking Solution (IWS)

The following documentation is for the Interworking Solution (IWS).

This product is a T7100 profile used for the Femto/Circuit Switched Fallback (CSFB) solution.

Online PDF Viewing

Clicking a PDF link opens a preview screen of the file in the online viewer utility. To search the document or perform any other functions, click the 'Download' button located in the bottom left corner of the window to save the PDF to your laptop or workstation. Note that larger PDFs cannot be previewed using the online viewer utility. If the document does not display after selecting the PDF, download the PDF to view it locally.

Please note that the online product documentation is always considered the most current version since the HTML pages are often updated and republished on a daily or weekly basis, whereas the PDF versions of the online documentation may not get updated and republished until the next major or sustaining release.
