

# Salesforce Login

Login to the **Customer Portal** for software downloads, logging trouble tickets, subscribing to alerts, and additional content.

## Customer Portal Login

Login will open in a new browser tab or window

Note, the support portal is for both former GENBAND and former Sonus products.

Access to Ribbon support portals and technical assistance centers is available to customers who have purchased maintenance and technical support services.

If you have purchased services and do not have a user name and password you may register here: [New User Registration](#)

For CRITICAL service events – Please use the contact information available on the [Customer Support](#) page.

## Channel Partner Login

Please Enter Your User Name and Password.

User Name:

Password:
