

DSC 8000-SWe Platforms Documentation

 PDF versions of the online documentation may not reflect the most current information. It is strongly encouraged to check the online production documentation site for latest information.

Welcome to the Ribbon Signaling Systems product documentation page.

The DSC 15.x.y and later documentation combines the platform documentation for the DSC 8000 and the DSC SWe.

The DSC 14.4.x documentation is only for the DSC SWe platform.

The DSC 14.3.x documentation is only for the DSC 8000 platform.

Click on of the links below to view a document.

PDFs for the most recent software versions can be viewed following [Log In](#)

Release 18.0.x - DSC SWe only

- [Online DSC - SP2000 Product Documentation](#)
- [Online REST API Documentation](#)

For PDF documentation, refer to [DSC - SP2000 Documentation](#).

Note

The DSC - SP2000 18.x.y and later documentation combines the documentation for the DSC SWe and the SP2000 Platform into one documentation set.
