
POST certificate - action import12

REST API Method: **POST**

[/rest/certificate/{identifier}?action=import12](#)

This resource imports a PKCS12 certificate into a SBC Edge node. Certificate ID 1 is the server certificate, any other ID is a trusted CA certificate.

URL:

<https://192.168.0.111/rest/certificate/{identifier}?action=import12>

HTTP Method

POST

Requires Authentication:

true

Parameters

Parameter Name	Required	Service Affecting	Data Type	Default Value	Possible Values	Description
