

Diameter Signaling Controller - Signaling Platform 2000 Documentation

Warning

The 18.0.x release is DSC SWe and SP2000 ONLY. No changes were made to the DSC 8000 for this release. The documentation for the 8000 is still visible to maintain the integrity of the wiki links. If you require information for the DSC 8000, refer to the [DSC 17.0.0 Documentation](#).

Note

The documentation wiki contains both publicly available and restricted content. Restricted materials are reserved for Ribbon Customers and Partners with a Ribbon Salesforce account.

If you do not have an account, please register as a Ribbon Customer or Channel Partner.
